February 2012

Dear Old Scholars,

I am writing to invite you to attend our annual reunion at School, which this year is on Saturday 19th May.

As in previous years this coincides with the School's Friends and Families Day, and is an excellent opportunity to see the School in action. This year you will be able to view the School's new Junior School as it nears its final completion. You are most welcome to come along at any time during the day and the programme of activities is attached. Our main meeting point will be the Library, so please remember to sign in and wear your badge.

School events, to which you are invited, finish at around 4pm. There will then be tea on the front lawn until the drinks reception at 6pm. We have a delicious menu planned for the reunion dinner and the cost at £25 per head includes wine. Tickets for the dinner must be ordered before 8th May – see enclosed menu and order form. Please apply early as places are strictly limited and the dining hall can only accommodate 100 people.

We very much look forward to having as many Old Scholars as possible back from the 1970, 1975 and 1980 year groups, ie those turning 60, 55 and 50! If you are in these year groups please get in touch with your old school friends and help us make it a night to remember. See the website for more information.

Please do read the information on our website www.oldscholars.com about changes to the subscription arrangements and how we can continue to support the Association and the School through donations. Both need our continuing support.

I very much hope to see you at School on the 19th May.

Regards,

Richard Haw
President 2011 to 2012
